Subscription Tickets

Subscription Tickets are available at a cost of £20, giving one person admittance to each of the Faversham concerts in 2006. This is a discount of £10 from the total adult price of £30 for attending all three Faversham concerts, at £10 per concert. Faversham concert dates for 2006 are 28th January, 29th April and 23rd September. Intended programmes are published in the 2006 brochure, but are subject to change.

If you have already purchased an adult ticket for the concert of 28th January, the amount paid for the ticket (£10) is refundable against the cost of a subscription ticket for 2006. Only one January ticket may be offset against each subscription ticket to be purchased.

To obtain a subscription ticket for the 2006 season, please complete the form below; you will automatically be added to our mailing list. Requests will be processed and tickets sent out within 10 days of receipt.
